**WARNING:**

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

**Petition Under 37 C.F.R. 1.181(a) to Withdraw Holding of Abandonment Based on Failure  
To Receive Office Action**

Sir:

Applicants respectfully petition for withdrawal of the holding of abandonment in the above-captioned application. Applicants did not receive the first Office Action mailed December 4, 2006. Applicants searched their file and the file jacket but did not find the Office Action. In addition, no entry for the Office Action appears in the mail log for the office of Robert E. Krebs, the practitioner to whom the Office Action was addressed. The mail log is a record of all Patent Office correspondence received in the practitioner's office. As evidence of this, a copy of the mail log running from the mailing date of the Office Action (December 4, 2006) through the whole of the following three-month reply period is submitted herewith. Also enclosed as evidence of non-receipt of the Office Action is a printout from our docketing system, CPI, which shows all activity entered into this system for this case. There is no entry in the docket of this Office Action having been received into the system.

The instant petition is being filed within two months of the Notice of Abandonment, mailed February 1, 2008.

Applicants also submit herewith a reply to the Office Action, having obtained a copy of the Office Action from Private PAIR after receipt of the Notice of Abandonment.

Early and favorable consideration is earnestly solicited.

Please charge any additional required fees, or credit any overpayment not otherwise credited, to our deposit account no. 50-1698.

Respectfully submitted,  
THELEN REID BROWN RAYSMAN & STEINER LLP
